

### **Integrated Orofacial Opening New Office at 325 South Highland Ave., Briarcliff**

Judith Dember-Paige is opening a new office at 325 South Highland Avenue, located just off of Route 9 in Briarcliff. Her Integrated Orofacial Myofunctional Therapy office will treat children and adults with disorders involving behaviors and patterns created by inappropriate muscle function of the tongue, lips, jaw and face.

Near Phelps Memorial Hospital and across from Arcadian Shopping Center in Briarcliff, 325 South Highland Avenue's other tenants include the Children's Corner Learning Center, Briarcliff Pediatric Dentistry, Briarcliff Oral Surgery, Putnam Orthodontics, neurologist Dr. Michael Weintraub, and dermatologist Dr. Rhonda K. Berkowitz.

Amanda Mellen of Admiral Real Estate Services Corp. represented both the tenant and the landlord in the transaction. <http://admiralrealestate.com/agent/amanda-mellen/>
