

Edible Arrangements

Edible Arrangements, the creator of fresh fruit bouquets, is opening a new downtown location on Beekman Place in Tarrytown / Sleepy Hollow. This new location will be Edible Arrangement's eighth store in Westchester County, adding to existing sites in White Plains, Mount Kisco, Eastchester, Yonkers, Mount Vernon, Port Chester and Mamaroneck.

Located on a primary retail corridor, Edible Arrangements will also be within walking distance of new Hudson River housing developments, including Ichabod's Landing and the future General Motors development site.

Both the tenant and building owner in this transaction were represented by Jonathan Gordon of Admiral Real Estate Services Corp.

Admiral Real Estate Services Corp. is a commercial real estate brokerage firm, offering investment sales, agency leasing and tenant representation services. Based in Westchester, the company currently lists and/or manages over 100 retail, office, and development properties in the New York metropolitan area.
