

Commercial Real Estate Power Broker | CoStar

Admiral Real Estate Services Corp. is pleased to announce that Jonathan Gordon and Admiral Real Estate Services Corp. have been recognized as CoStar Power Brokers by CoStar Group (NASDAQ: CSGP), commercial real estate's leading independent research firm.

This annual award recognizes the "best of the best" in commercial real estate brokerage by spotlighting the U.S. firms and individual brokers who closed the highest transaction volume in commercial property sales or leases for the entire year of 2020 in their respective market.

As the largest professional research organization serving the commercial real estate industry, CoStar is uniquely positioned to identify the top firms and brokers in each market throughout the U.S.

All awards are based on transaction data in CoStar's commercial real estate database, the largest, independently researched database of commercial real estate property information available online.

Admiral qualified as a top brokerage firm and Gordon qualified as a top broker in the Westchester / Connecticut commercial real estate market based on the total leasing transactions closed during the year. Gordon has been the recipient of a CoStar Power Broker designation every year since 2010 – eleven consecutive years.

"Every year we are honored to recognize those individual brokers and firms who have outperformed their peers," said CoStar Group founder and CEO Andrew C. Florance. "These industry leaders have demonstrated exceptional sales and leasing success, and we congratulate them on their achievement."
